

Subscription and Flat Fee Price Structure

(UPDATED 2-22-2024)

The chart below contains the effective prices for flat fee services and subscription levels for clients of Gablin Law LLC. **Please note that these prices may be subject to change.** Price changes do not take effect for subscribing clients until one full billing cycle after notification of the changes. Access to scheduling additional meetings may be limited to ensure all clients can be adequately served. Due to the complex and varied nature of the service, contract negotiations will only be accepted through additional agreement on a case-by-case basis.
